DETAIL: This Program will supplement an existing federally-funded Program entitled the Iowa Education & Training Voucher (ETV) Grant Program. For FY 2007, the ETV Program has received approximately \$470,000 of federal funds and provides assistance to 110 students. Of the current 110 recipients, seven (6.4%) attend beauty/barber schools, 68 (61.8%) attend community colleges; 21 (19.1%) attend private colleges; and 14 (12.7%) attend Regents universities.

According to the Department of Human Services, approximately 500 children age out of out of home placement (foster care) each year. Of those, approximately 325 (65.0%) have a high school diploma or GED, and approximately 100 choose to pursue postsecondary education.

The federal ETV Program is currently serving all students that have applied. However, funding caps were implemented to stretch the dollars to encompass all applicants, as follows: \$3,000 for freshmen; \$4,000 for sophomores; and \$5,000 for juniors and seniors.

29 30 twenty-four.

29 31 d. Assistance under the program shall not be provided for
29 32 expenses that are paid for by other programs for which funding
29 33 is available to assist the participant.

29 34 e. The commission shall implement assistance provisions in
29 35 a manner to ensure that the total amount of assistance
30 1 provided under the program remains within the funding
30 2 available for the program.

30 3 4. The commission shall develop and implement a tracking
30 4 system that maintains a record of the postsecondary and
30 5 workforce participation for those assisted under the program.
30 6 The system shall maintain a record for each participant for up

33 32 d. "Full-time resident student" means an individual
33 33 resident of Iowa who is enrolled at an eligible institution in
33 34 a program of study including at least twelve semester hours or

34 6 established financial need and who is meeting all program
34 7 requirements.

34 8 2. PROGRAM -- ELIGIBILITY. An all Iowa opportunity

CODE: Establishes the All Iowa Opportunity Scholarship Program and Fund to provide scholarships to students with financial need for the purpose of attending an Iowa community college or Regents institution. Provides definitions and eligibility criteria. Scholarships are limited to one year for students that attend a Regents institution and two years for students that attend community college. Financial assistance is limited to the student's financial need as determined by the College Student Aid Commission or the average tuition and fees at the institution attended, whichever is least.

DETAIL: This Program receives an allocation of \$500,000 of the \$1,000,000 General Fund appropriation in Section 2.6 of this Bill. No estimate is currently available for the number of students that will be assisted with the \$500,000 allocated to the All Iowa Opportunity Scholarship Program. The Program is limited to the cost of average tuition and fees at either a community college or Board of Regents institution. The average tuition and fees for Iowa community colleges for FY 2007 is \$3,053 (FY 2008 average is not yet available). The tuition and fees at the Regents institutions for FY 2008 is \$6,273 at the University of Iowa, \$6,161 at Iowa State University, and \$6,190 at the University of Northern Iowa. 34 20 institution and is accepted for admission.

34 21 d. Applies in a timely manner for any federal or state
34 22 student financial assistance available to the student to

34 31 academic years of graduation from high school and continuously
34 32 receives awards as a full-time or part-time student to
34 33 maintain eligibility. However, the student may defer
34 34 participation in the program for up to two years in order to
34 35 pursue obligations that meet conditions established by the
35 1 commission by rule or to fulfill military obligations.

35 2 3. EXTENT OF SCHOLARSHIP.

35 3 a. A qualified student at a two-year eligible institution
35 4 may receive scholarships for not more than the equivalent of

35 7 b. A qualified student at a four-year eligible institution
35 8 may receive scholarships for not more than the equivalent of
35 9 two full-time semesters of undergraduate study, or the
35 10 trimester or quarter equivalent.

35 31 into the fund are appropriated and made available to the
35 32 commission to be used for scholarships for students meeting
35 33 the requirements of this section. Notwithstanding section

DETAIL: This Bill discontinues funding for the Teacher Shortage Forgivable Loan Program and converts the Program to a loan forgiveness program. This reporting change will allow the General Assembly to track the loans outstanding during the phase-out period, until such time as all loans are repaid or forgiven.

36 15 Sec. 26. Section 261.111, subsection 10, Code 2007, is
36 16 amended by striking the subsection.

37 27 the commission for use under the program. Notwithstanding
37 28 section 8.33, moneys deposited in the fund shall not revert to
37 29 any fund of the state at the end of any fiscal year but shall
37 30 remain in the loan forgiveness repayment fund and be
37 31 continuously available for loan forgiveness under the program.
37 32 Notwithstanding section 12C.7, subsection 2, interest or

38 22 institutions of higher education under the board's control.

CODE: Permits the Board of Regents institutions to retain all revenues from tuition and fees. Eliminates the requirement for reversion of these revenues to the State General Fund.

45 12 EXPLANATION

45 13 This bill appropriates moneys for fiscal year 2007-2008
 45 14 from the general fund of the state to the college student aid
 45 15 commission, the department for the blind, the department of
 45 16 education, and the state board of regents and its
 45 17 institutions.

45 18 The bill appropriates to the department for the blind for
 45 19 its administration.

45 20 The bill includes appropriations to the college student aid

45 21 commission for general administrative purposes, student aid
45 22 programs, an initiative directing primary care physicians to
45 23 areas of the state experiencing physician shortages,
45 24 forgivable loans for Des Moines university -- osteopathic
45 25 medical center students, the national guard educational
45 26 assistance program, the teacher shortage programs, for the
45 27 registered nurse loan and nurse educator forgiveness program,
45 28 and for the all Iowa opportunity assistance program created in
45 29 the bill.

45 30 The bill reduces the \$2.75 million standing appropriation
45 31 for the Iowa work-study program for fiscal year 2007-2008 to
45 32 \$395,600. In statute, the bill provides for modest increases
45 33 to the tuition grant program for not-for-profit and for-profit
45 34 postsecondary institutions and for vocational-technical
45 35 grants. The bill appropriates funds from the scholarship and
46 1 tuition grant reserve fund for barber school and school of
46 2 cosmetology arts and sciences tuition grants.

46 3 The bill creates an all Iowa opportunity foster care grant
46 4 program and an all Iowa opportunity scholarship program and
46 5 fund under the purview of the college student aid commission.
46 6 The grant program provides financial assistance for
46 7 postsecondary education or training for young adults age 18
46 8 through 23 who were involved with the state's foster care or
46 9 juvenile justice programs. A young adult must apply for the
46 10 financial assistance program and commence the education or
46 11 training prior to becoming age 23. The scholarship program
46 12 provides grants to pay the tuition and mandatory fee costs for
46 13 resident students attending Iowa's community colleges and
46 14 regents universities.

46 15 The bill appropriates moneys to the department of education
46 16 for purposes of the department's general administration,
46 17 vocational education administration, division of vocational
46 18 rehabilitation services, independent living, state library for
46 19 general administration and the enrich Iowa program, library
46 20 service area system, public broadcasting division, regional
46 21 telecommunications councils, vocational education to secondary
46 22 schools, school food service, Iowa empowerment fund, textbooks
46 23 for nonpublic school pupils, statewide education data

46 24 warehouse, advanced placement, vocational agriculture youth
46 25 organizations, jobs for America's graduates specialist, and
46 26 community colleges.

46 27 The bill also appropriates money for a four-year-old
46 28 preschool program, expansion of the federal Individuals With
46 29 Disabilities Education Improvement Act birth through age three
46 30 services, a before and after school grant program established
46 31 by the bill, a beginning administrator mentoring and induction
46 32 program, and a statewide education data warehouse.

46 33 The bill amends 2006 Iowa Acts to reallocate a portion of
46 34 the funds from the reading instruction pilot project grant
46 35 program for teacher training and the reconstruction of reading
47 1 recovery in Spanish program and for the Iowa empowerment fund
47 2 for implementation of the business community investment
47 3 advisory council report and recommendations. The bill also
47 4 amends 2006 Iowa Acts to reduce from \$15 million to \$10
47 5 million the appropriation for early care, health, and
47 6 education and preschool programs and initiatives for FY
47 7 2007-2008 and FY 2008-2009. These provisions take effect upon
47 8 enactment.

47 9 The bill also appropriates funds to the department of
47 10 education for transfer to the department of human services for
47 11 early head start pilot projects, a statewide mandatory child
47 12 care registration study, and state child care assistance
47 13 eligibility extension.

47 14 The bill also expands the standards for community college
47 15 instructors by providing that all instructors who are under
47 16 contract for at least half-time or more must meet the
47 17 standards, not just the full-time faculty.

47 18 The bill makes contingent appropriations for the
47 19 supplemental strategies and educational services grant program
47 20 established in the bill, and for the implementation of the
47 21 core contents standards and establishment of the voluntary
47 22 model core curriculum which the bill directs the state board
47 23 of education in statute, to adopt.

47 24 Also in statute, the bill permits an appeal to a
47 25 reorganization decision by an area education agency board to
47 26 be appealed to the state board of education, requires school

47 27 districts to adopt a student advancement policy, and makes a
47 28 student's receiving district responsible for making driver
47 29 education available to a student participating in open
47 30 enrollment. The bill also repeals the reading instruction
47 31 pilot project grant program, which was scheduled for repeal
47 32 June 30, 2008, and for which the department of education
47 33 failed to receive applications from school districts.

47 34 The bill treats virtual shared classes like other types of
47 35 shared classes that receive supplemental funding by providing
48 1 that both the school district that provides the class and the
48 2 instructor and the school district that receives the class
48 3 over the Iowa communications network receive supplemental
48 4 funding of one-twentieth of the percentage of a student's
48 5 school day spent in the virtual class. The bill provides the
48 6 same percentage of supplemental funding for a school district
48 7 that receives a community college class meeting the criteria
48 8 under Code section 257.11, subsection 3, over the Iowa
48 9 communications network. The bill provides for a teacher
48 10 incentive, requiring that the school district that provides
48 11 the instructor and class reserves 50 percent of the
48 12 supplemental funding it receives for extra pay to the
48 13 instructor.

48 14 The bill requires the department of education to evaluate
48 15 the readiness of school districts to adopt and support the
48 16 voluntary model core curriculum; and to convene a community
48 17 college faculty working group; and to submit its findings and
48 18 recommendations in reports to the general assembly by January
48 19 14, 2008.

48 20 The bill appropriates moneys to the state board of regents
48 21 for the board office, for tuition replacement, universities'
48 22 general operating budgets, the southwest Iowa graduate studies
48 23 center, the tristate graduate center, the quad-cities graduate
48 24 studies center, Iowa's obligation as a member of the
48 25 midwestern higher education compact, the state university of
48 26 Iowa, Iowa state university of science and technology, the
48 27 university of northern Iowa, the Iowa school for the deaf, the
48 28 Iowa braille and sight saving school, and for tuition and
48 29 transportation costs for students residing in the Iowa Braille

48 30 and sight saving school and the Iowa school for the deaf. The
48 31 bill also funds the Larned A. Waterman Iowa nonprofit
48 32 resources center at the state university of Iowa.
48 33 The bill includes a provision that requires the director of
48 34 a department or agency to which appropriations are made under
48 35 the bill to assess employment positions that could be
49 1 effectively performed via telecommuting, to report assessment
49 2 results to the director of administrative services and the
49 3 general assembly by November 1, 2007, and to implement a
49 4 policy by January 1, 2008, and begin submitting annual reports
49 5 to the department of administrative services and the general
49 6 assembly beginning January 1, 2009.
